

baltic
sea fishing

Come fishing in the unique Baltic Sea

Baltic Sea Fishing and river restorations

Baltic Sea Fishing stems from the EU-funded RETROUT project (www.retrout.org) that currently is improving fish habitats in 12 sea trout rivers.

Example from the Swedish river Vitsån.

before

after

Stockholm Archipelago, Sweden

Exclusive fishing among thousands of islands

Lahemaa, Estonia

Hook your memories!

Kurzeme, Latvia

Let our pristine nature reel you in!

Gulf of Gdańsk, Poland

Come for an unforgettable adventure!

Klaipeda, Lithuania

Catch the salmon of your dreams!

Baltic Sea Fishing ethical code

Respect fish, man and nature

- We endorse Baltic Sea fish populations
- We ensure safe fishing experiences
- We act as sportfishing ambassadors
- We aim to reduce our environmental impact
- We provide high quality services
- We aim to improve knowledge about our fish stocks
